

Eliminate touch points. Reduce cross-contamination. Lower your spend.

Bundle your washroom consumables and save with Staples. And receive no-charge dispensers*, as well.

Staples is proud to bring you a complete washroom solution with industry-leading products that is designed to eliminate touch points and reduce cross-contamination throughout your washrooms, as well as save you money.

Leading with GP Professional's no-charge* touchless enMotion® hand towel and soap dispensers with industry-leading reliability, and highly-rated Compact® coreless tissue dispensers, these solutions provide hygiene and elegance users want, and efficiency you and your maintenance team need.

Adding Safe-T-Gard® toilet seat covers, ActiveAire® whole room and in-install air fresheners and Coastwide Professional® right-sized waste liners, your washrooms will meet the high expectations of your employees, guests and customers.

The Staples enMotion® bundle is designed for office, health care and industrial environments, providing a complete solution of high-quality, reliable dispensers, industry-leading towel, tissue and soap products and unmatched service and guidance from your Staples team. It also includes free installation for qualified customers*.
