

Remind them of important guidelines.

Ensure the safety of visitors and associates with Superior Mark™ Safety Signs and Floor Tape.

These signs provide clear, easy to understand visual cues and instructions to remind everyone of important guidelines, as recommended by the Centers for Disease Control and Prevention (CDC).

Choose from a wide variety of messages, including social distancing, temperature checks, no-handshake greetings, handwashing guidelines, and more.

See the next page for a sampling of these items.

To apply these removeable signs, clean the floor or surface, and then peel and stick the sign. Once installed, the sign can withstand all cleaning chemicals and floor care machines. Velcro options for carpets are available too.

Order these items through [StaplesAdvantage.com](https://www.staplesadvantage.com).
