

Create a Branded Webstore

Offer Custom Printed Merchandise to Your Team and Residents

Graphic Design Support

Print House keeps your brand consistent across any project or location and will design a landing page that includes your company images and information.

Product Selection

PH offers a wide range of apparel and promotional products from the budget-conscious to the most recognizable names (The North Face, Patagonia, NIKE, Marmot, YETI, Moleskin, Contigo, Igloo, Thule, CamelBak, etc.).

Webstore Platform Selection

PH assists in choosing the best options for your needs.

- Platform Options: Seasonal Pop-Up Store vs. Company Webstore
- Payment Method: Invoice vs. credit card or a combination of both.
- Store Tabs: The store can be setup with two tabs - one for the company staff to access branded gear and another tab for residents to purchase your branded merchandise.
- Administrative Access: Order history, product details, inventory levels, reports
- Ability to add printed materials, signage and non-Print House products
- View the PAS Demo Webstore at, www.pasonline.com/demo-webstore

Please contact Thomas Tetrault at Print House for PAS member pricing and additional information related to setting up a company, branded store.
